**Imported Orangeman** has developed even beyond our expectations, both as an individual and as a breeding bull. He has been used heavily in the breeding herd since his arrival at "J" Farms hence his showyard career has been limited to one state fair. In his breeding form he won 3rd in the Iowa Class at Des Moines 1917 with close competition. His first crop of calves are just arriving and they are a promising lot of youngsters. However, with such a line of breeding behind him his reproducing ability is assured.

See cut on cover page.
